How Many of Each?

Date

Heads and Tails

You need

• 8–12 pennies

recording sheet

Play alone.

- Decide how many pennies to play with. Record this number on the recording sheet.
- 2 Drop the pennies.
- 3 Count how many pennies are heads (SQ) and how many pennies are tails 🚝
- B Record the two numbers on the recording sheet.
- 6 Keep dropping the pennies and recording how they land.
- **6** The game is over when the grid is full.
